

1Gbps SFP Optical Module

SFP-SX2 Multi-mode(2km) 1Gbps Optical Module

Multi-mode 1310nm 2km 1Gbps SFP Optical Transceiver

SFP-SX2

- 1.25Gb/s 1000Base-SX Ethernet
- Hot-pluggable SFP footprint
- Duplex LC connector
- RoHS compliant and Lead Free
- Up to 2 km transmission on 50/125μm MMF
- Low EMI and excellent ESD protection
- Single 3.3V power supply
- operating temperature range: 0°C to 70°

Specifications

Connector	Duplex LC Connector
Throughput	1.25Gbps
Wavelength	1310nm
Transmission Distance	2Km
Power	+3.3V single power supply
Operating Temperature	0°C ~ 70°C
Storage Temperature	-40°C ~85°C
Dimension	58.1 x 13.7 x 8.8mm
Weight	17g
Optical Cable	Multi-mode

Ordering Information

Model Type	Throughput	Wavelength	Temperature	Connector Type	Transmission Distance	Optical Cable
